

D12 Spring 2019 Regional Conference

Hello, Wonderful Regional Attendees!

Free medical consultations are available on Saturday, March 23rd - morning and early afternoon. This is your chance to talk to a knowledgeable dwarfism specialist about whatever concerns you may have. The consults will be around 20 minutes per session, but you may sign up for more than one doctor.

Please sign up early for these appointments!

There are *very* limited slots, so if you do not sign up early, you may miss out on seeing the specialist that you would like to see. Please email the form below to Ericka Okenfuss, at erickamrd@gmail.com, and she will email you your appointment time prior to the regional. If you do not have email, please call 916-614-5177, and we can fill out the form that way. **Remember – sign up early – there may not be any appointments available on-site!**

Medical Consultation Form
